**The Way We'll Work: Blk**  
Thursday, October 4, 2018

---

**Program Purpose(s)**

1. Educate the general public on blockchain technology
  - a. It is currently used to enhance agriculture
  - b. It could be used in the energy industry
  - c. The legislation passed in 2018 impacts Wyoming
2. Record the event and create an educational program for libraries, groups and general public
3. Be the launch-pad for future educational programs on blockchain and cryptocurrency
4. Encourage the public to tour *The Way We Work* at the County Library System in partnership with the Wyoming State Library

**Planning Committee**

Rachael Svoboda, Chair, Library 2 Business Coordinator  
Vic Miller, Cheyenne blockchain enthusiast  
Dave Murry, International blockchain advisor  
Jennifer Rife, Project Director, *The Way We Work*

**Program Description**

Have you heard about blockchain? Learn all about it from experts who will explain blockchain technology and how Wyoming is leading the way we work. We'll have time for Q&A following the presentation. Presented in partnership with the Wyoming State Library.

**Program Participants**

Moderator: Dennis Ellis, Microsoft  
Panelist: Phil Schlump, Beefchain.io  
Panelist: David Pope, 2018 Wyoming Blockchain Task Force
